This Hospital Cash Plan offers benefits to help you if you have been hospitalised as a result of an accident or illness, with cash paid directly to you and for you to use any way you want to. This plan also gives you the option to avail of Personal Accident cover which provides a one-off lump sum payment in the event of an accident resulting in your Permanent Total Disablement, Death or Loss of sight, limb or hearing. Our cover is designed to give you financial aid, when the unexpected happens.

This Plan is suitable for persons aged 18 to 64 years and has a cooling off period of 14 days. The premium is deducted each month and cover continues up to your 75<sup>th</sup> birthday (subject to you enrolling before your 65<sup>th</sup> birthday).

This policy does not affect your private health insurance and unlike private health insurance, the benefit is designed to pay a cash benefit directly to you in the event of hospitalisation or an accidental injury causing you Permanent Total Disablement, Death or Loss of sight, limb or hearing.

You can use this cash benefit however you wish, such as to help pay for taxis to and from hospital, cover expenses while you are off work, adapt your home to help you live independently after your accident/illness, or to take a holiday to get over your hospitalisation.
